

Event Guidelines: AmiTech Prakalp Expo 2026

Overview

Welcome to the **AmiTech Prakalp Expo 2026**. This document outlines the essential guidelines and schedule to ensure a smooth and successful exhibition of your innovative projects.

1. Event Schedule

The event will take place on **April 17, 2026**. Please adhere strictly to the following timeline:

Time Slot	Activity	Location/Details
09:30 AM – 10:00 AM	Reporting & Registration	Main Entrance / Registration Desk
10:15 AM	Inaugural Ceremony	Atrium A1 building
10:30 AM onwards	Project Evaluation	Respective Team Stalls
01:00 PM – 02:00 PM	Lunch Break (Self-Financed)	Cafeteria
02:30 PM	Valedictory & Prize Distribution	Auditorium

2. Team & Stall Guidelines

To maintain order and provide a professional environment for evaluation, please follow these instructions:

- **Stall Allocation:** Each team will be allotted **one table** for project display.
 - **Team Numbers:** Desks are pre-allotted based on your assigned **Team Number**. Please locate your number upon arrival.
 - **Additional Requirements:** If your project requires extra space or specific furniture, please notify the coordinators via email immediately.
-

3. Presentation & Visual Aids

- **Posters:** Teams are encouraged to create posters if they assist in explaining the project more effectively.
- **Notification:** If you plan to use a poster, you must inform the organizing committee at least **2 days in advance**.

Poster Template Structure

To maintain uniformity, teams should follow this structure for their posters:

1. **Project Name:** To be placed prominently at the top.
 2. **Description:** A brief 2-line description of the project.
 3. **Team ID:** Clearly mention your assigned Team ID below the description.
 4. **Visuals:** Space is provided below the Team ID for project images, diagrams, or charts.
 5. **Additional Details:** Provide a detailed explanation of the project at the bottom of the poster and add your university name.
-

4. Technical & Electrical Requirements

We provide infrastructure based on the nature of the project:

- **Software & Simulation Projects:** Standard electrical connections will be provided at the desks.
 - **Hardware Projects:** Electrical connections are **NOT** provided by default for hardware setups.
 - **Action Required:** If your hardware project requires an electrical outlet, you **MUST** notify us in advance to ensure arrangements are made.
-

5. Contact Information

For any queries, additional requirements, or to submit your poster/electrical requests, please contact the event coordinators or reach out via the official event email.

We look forward to seeing your innovative work!
